## 5. Problems and Challenges

The Bank has considered the following domestic and international impediments as its problems and challenges:

- Risk concentration on both asset and liability sides has increased owing to lack of adequate business sectors
- The market is overcrowded with financial institutions further intensifying competition; however, the process of consolidation in the financial sector as a result of enhancement of required minimum paid up capital is expected to help going forward.
- Rise in inflation
- Lack of basic infrastructure such as roadways, connectivity, energy
- Frequent power cuts leading to increase in cost of operations
- Policy uncertainties hence warding off investments
- Depressive global economy leading to slow down in remittance growth
- The liquidity constraint in the market and the substantial increase in cost of fund

## 6. Corporate Governance

- **Board of Directors:**

Committees like Risk Management Committee, Management Credit Committee, Assets Liabilities Management Committee, Human Resources Committee have been constituted to carry out banking operations related decisions and these committees have been actively involved in major policy/plans related decisions.

- **Internal Control System:**

In order to strengthen the internal control mechanism of the Bank, a separate independent internal audit department has been established. The internal audit department carries out audit of various departments on a continuous manner and makes necessary recommendations to the Audit Committee. Accordingly, Audit Committee holds regular meetings to analyze the recommendations and bring about necessary changes.
