Total no. of transactions	:	563

5. Problems and Challenges

The Bank has considered the following domestic and international impediments as its problems and challenges:

- Excess liquidity in the market owing to lack of adequate investment opportunities
- Risk concentration on both asset and liability sides has increased owing to lack of adequate diversified business sectors
- The market is overcrowded with financial institutions further intensifying competition
- Rise in inflation and slack in real estate business
- Lack of basic infrastructure
- Regular power cuts leading to increase in cost of operations
- Policy uncertainties hence warding off investments
- Depressive global economy leading to slow down in remittance growth

6. Corporate Governance

- **Board of Directors:**

Board level committees like Risk Management Committee, Human Resources Committee and management committees like Management Credit Committee, Assets Liabilities Management Committee have been constituted to carry out banking operations related decisions and these committees have been actively involved in major policy/plans related decisions.

- **Internal Control System:**

In order to strengthen the internal control mechanism of the Bank, a separate independent internal audit department has been established. The internal audit department carries out audits of various branches and departments on a continuous manner and makes necessary recommendations to the Audit Committee. Accordingly, Audit Committee holds regular meetings to analyze the recommendations and bring about necessary changes. Further the bank has Compliance and Internal Control Department for continuous review of the control system and its compliance at all levels of operation.

- **Internal policies, regulations and directives:**

In order to carry out various functionalities smoothly and to mitigate risks emanating from business functions, the Bank has instilled a sound operations system. All activities of the Bank are guided by strong internal policies. The Bank is fully compliant of all the regulatory and statutory requirements.
